RUGS

Oriental & Modern

The gateway to the world of rugs

"We will bring the rug of your dreams to your home!"

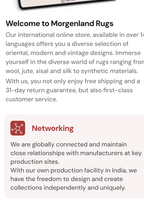

Morgenland Rugs has been in the rug business for over 47 years.
We offer an easy, convenient and secure alternative to buying rugs online.
We offer all types of rugs from all Oriental knotting countries as well as our own modern collections.
Whether you are looking for a nomadic rug, a classic Persian rug, a modern Indian Gabbeh or an exclusive one of a kind rug – you will find it online or in our showroom in Hamburg.

Our Online Shop

Welcome to Morgenland Rugs

Our international online store, available in over 14 languages offers you a diverse selection of oriental, modern and vintage designs. Immerse yourself in the diverse world of rugs ranging from wool, jute, sisal and silk to synthetic materials.
With us, you not only enjoy free shipping and a 31-day return guarantee, but also first-class customer service.

Networking

We are globally connected and maintain close relationships with manufacturers at key production sites.
With our own production facility in India, we have the freedom to design and create collections independently and uniquely.

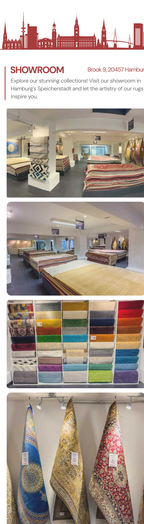

Custom-Made

Your ideas, our craftsmanship: With our custom-made service, you receive rugs that perfectly match your style and space. Individual, high-quality, and unique.

Home-Service

Choosing the right rug can be a challenge. Take advantage of our Home Service: We bring the rug to your home (delivery costs only) or you can pick it up yourself – with no obligation to buy.
