

Statement Regarding the Chemicals

In accordance with the ChemVerbotsV, we will only sell items subject to this regulation to **individuals over the age of 18** who are purchasing these substances exclusively for one of the following purposes:

Resellers (Proof of expertise in accordance with §11 of the Chemicals Prohibition Ordinance is required!)

Professional use (a registered activity carried out on a permanent basis for commercial purposes)

Public research, testing, or educational institutions

We will gladly send you **safety data sheets** for chemicals purchased from us free of charge upon request; you can also download them at <https://www.phd-24.de/en/webshop/data-sheets/>.

Declaration Regarding the Chemicals Prohibition Ordinance (ChemVerbotsV): By providing the following declaration, you confirm to us that you are authorized to purchase these substances and that you comply with the regulations set forth in the ChemVerbotsV (as amended).

Company/Institution:			
Tax ID No.:			
First Name/Last Name:			
ZIP Code/City:			
Street:			
Phone:			
Email:			
Customer ID:		(if known)	Date of Birth:

I/we hereby declare that we purchase substances covered by the ChemVerbotsV exclusively for the following purposes (please check the applicable option):

- ☐ **Resellers:** Compliance with §6 of the ChemVerbotsV is hereby confirmed.
(A copy of the certificate of competence pursuant to §11 of the Chemicals Prohibition Ordinance is required!)
- ☐ **Professional Use:** A registered activity carried out on a permanent basis for commercial purposes.
(A copy of the business registration or an extract from the commercial register is required)
- ☐ **Public Research, Testing, or Educational Institutions:** For research, analysis, training, or teaching purposes.
(Proof required)

Purpose:

Important Notes and Explanations:

I/we hereby expressly confirm compliance with the ChemVerbotsV (as amended) and other legal provisions governing the handling of chemicals. I/we have access to information (safety data sheets) regarding the necessary precautions for intended use, the hazards associated with use or preparation, the measures to be taken in the event of accidental spillage or release, proper disposal, and other important precautionary, emergency, and accident response measures for the chemicals I/we use. I/We have been informed that providing false information may result in legal action, and I/we have also been informed that this declaration will be provided to the relevant authorities upon request. Should there be any change in my/our purchase status, I/we will notify DD Composite GmbH immediately. This declaration is valid for one year!
